

Fee guide for under 17's

Dental Examinations

Examinations £25 each

Our examinations for Under 17's are designed to:

- Check overall health of mouth
- Examine gums and check for presence or absence of decay
- Carry out an oral cancer screening
- Provide oral hygiene, prevention and dietary advice
- Include fluoride varnish to prevent decay, where necessary
- Identify orthodontic requirements and provide advice.

X-rays (Radiograph) £8.50 each

Ultra low exposure digital radiographs are not always necessary but we charge an additional fee if they are required.

Dental Treatments
